## **STUDENT ATTENDANCE POLICY**

Attendance in class is an integral part of the academic process. Excessive absences, whether excused or unexcused, may result in a student being withdrawn from class without credit. Truancy and tardiness may also result in suspension, expulsion or other forms of discipline.

### **ATTENDANCE CRITERIA**

To be in attendance, a student must be physically present for more than one-half of the class. Absences shall not be counted against the student for the purposes of this policy when they result from: a) the student's participation in a school related activity; b) the student's excused absence for religious purposes; c) the student being suspended for misconduct; d) the student being absent due solely to illness, accident or disease when the student's absence is certified by a medical doctor, and the student has completed all course requirements.

### **PREARRANGED ABSENCES**

Prearranged absences include a maximum of five excused absences per class per semester which have been prearranged by a parent or guardian at least one school day prior to the absence. Arrangements must have been made in advance with the principal or designee by written request,

including the reason for the absence. The student must obtain a Pre-Planned Absence Form in the attendance office. Each teacher must sign the form.

### **EXCUSED ABSENCES**

Excused absences are absences from any class caused by illness or medical appointments, a death in the immediate family, mandated court appearances, approved religious absences, or an emergency outside the control of the student or student's family. Parents must notify the school concerning the absence in a timely fashion. The school ultimately decides if an absence is excused.

### **UNEXCUSED ABSENCES/TRUANCY**

A student is considered to have an unexcused absence if any of the following occur:

1. An absence without parental or guardian permission
2. The student is on or near campus and not in his/her assigned classroom without legitimate permission
3. The student leaves campus and is absent from any assigned class without a pre-planned excuse, off-campus pass from attendance office, or approval from the school's nurse

### **LIMITATION ON ABSENCES**

For all students grades nine through twelve, the number of unexcused absences will be limited to three (3) per class per semester. The number of approved prearranged absences shall be limited to five (5) per class semester. **The total number of excused, unexcused and prearranged absences shall be limited to ten (10) per class per semester.**

### **COMMUNICATION FROM PARENTS**

Within two (2) days after any absence, parents must provide the school with a written note or make a telephone call to the school verifying the reason for the absence. Noncompliance will result in the absence being considered unexcused. The attendance call-in line is 696-8024. Parents must provide a written note or sign out their child in person to check a child out of school before the school day ends.

### **CONSEQUENCES FOR UNEXCUSED ABSENCES**

- Recovery
- Saturday School
- Suspension
- Dropped from class with an "F"
- Long Term Suspension Hearing

As per ARS-15-802, students age 15 or younger who fail to attend high school will be referred to the Pima County juvenile authorities.

### **EXTRACURRICULAR EVENTS**

Attendance in all classes on the day of the extracurricular event is required before a student can participate in an event or contest. Excused absences for doctor appointments or family emergencies are exempted from this policy with the approval of the school administrator.

### **DUE PROCESS PROCEDURES FOR EXCESSIVE ABSENCES**

The parent or legal guardian will be informed that the student has excessive absences through a letter mailed by first class mail to the recorded residence of the student. The letter will contain the student's attendance record. The letter states that the student will be dropped with an "F" in his/her class(es) unless there are extenuating circumstances. Extenuating circumstances are defined as absences that are due to illness, accident or disease when a medical doctor certifies the student's absences. However, absences may not exceed ten (10) days per class per semester.

## **SUSPENDED FROM SCHOOL FOR ATTENDANCE**

Students who have excessive absences may be suspended and taken to an attendance hearing. Parents will be notified by phone prior the suspension.

## **CONSEQUENCES FOR TARDIES**

referral received in the office, regardless of class period, will result in a consequence of one day in Recovery.

Any additional tardy referrals received in the office, regardless of class period, will result in a consequence of out of school suspension. Twelve tardies in a class will result in being dropped from that class with "F."

## **TARDY SWEEPS**

A *tardy sweep* is an unscheduled procedure in which students are asked to report to the cafeteria if they are tardy after the sweep is announced. Consequences for being caught in a tardy sweep include, but are not limited to:

1<sup>st</sup> infraction – warning

## **DISTRICT GUIDELINES FOR STUDENT BEHAVIOR**

Guidelines for student behavior are desirable for the operation of orderly, successful schools. Most students come to learn and to participate in educational and extracurricular activities and do not encounter problems with school rules. Unfortunately, the behavior of some students creates problems for everyone. This policy describes student behavior and indicates whether that conduct is or is not permitted in Flowing Wells Schools. Parents and students should become aware of these responsibilities and be informed of what they must do to make student behavior acceptable. These guidelines are designed to support, not stifle, students. Our schools should be a source of community pride and a place where students have freedom to learn.

Obscene materials, language or gestures are those that an average person, applying contemporary standards of the school community, would find; taken as a whole, appeal to prurient interests and lack serious literary, artistic, political or scientific value. The standard to be used is that of the school community, in recognition of the fact the students are, as a group, younger and more sensitive than the general adult population. Vulgar language, materials or gestures include language, materials or gestures that depict sexual and/or excretory activities in a patently offensive manner.

The use of hand signals, graffiti, or the presence of any apparel, jewelry, accessory, or manner of dress or grooming that by virtue of its color, arrangement, trademark, symbol, or any other attribute indicates or implies membership or affiliation, in such a group, is prohibited because of the disruption to the educational activities that result from such activities addressed. It is the District's position that such activities and dress also present a clear and present danger to other district students, to district staff members and to the community.

For the purpose of this policy, a "gang" is defined as a group of individuals (1) who refer to themselves as a group by a group name or moniker and (2) whose primary group activities, whether conducted individually or in a group setting, involve activities that are unlawful or contrary to Governing Board Policy, including, but not limited to, the following : intimidation of others, acts of assault and similar acts of unjustified physical violence against others, and/or activities that damage real property such as graffiti. ### **Reporting/Complaint Procedure**

Students and others may report hazing to any professional staff member. Professional staff members must report the incident to the school administrator or next higher administrative supervisor, in writing, with such details as may have been provided. A failure by a staff member to timely inform the school administrator or next higher administrative supervisor of a hazing allegation or their observation of an incident of hazing may subject the staff member to disciplinary action in accord with District policies. The staff member shall preserve the confidentiality of those involved, disclosing the incident only to the appropriate school administrator or next higher administrative supervisor or as otherwise required by law. Any instance of reported or observed hazing which includes possible child abuse or violations of statutes known to the staff member shall be treated in accord with statutory requirements and be reported to a law enforcement agency.

A person who complains or reports regarding hazing may complain or report directly to the school administrator or to a professional staff member. The professional staff member receiving the report/complaint shall retrieve sufficient detail from the person to complete the form designated for such purpose. At a minimum the report/complaint shall be put in writing containing the identifying information on the complainant and such specificity of names, places and times as to permit an investigation to be carried out. When a professional staff member receives the information, the staff member will transmit a report to the school administrator or supervising administrator not later than the next school day following the day the staff member receives the report/complaint.

- An investigation of the reported incident or activity shall be made within ten (10) school days when school is in session or within fifteen (15) days during which the school offices are open for business when school is not in session. Extension of the time line may only be by necessity as determined by the Superintendent.
- The investigator shall meet with the person who reported the incident at or before the end of the time period and shall discuss the conclusions and actions to be taken as a result of the investigation. Confidentiality of records and student information shall be observed in the process of making such a report.
- The investigator shall prepare a written report of the findings and a copy of the report shall be provided to the Superintendent.

All violations of this policy shall be treated in accord with the appropriate procedures and penalties provided for in District policies related to the conduct and discipline of students, staff, and others.

## **DUE PROCESS PROCEDURES**

### **Emergency Suspension - due process procedures**

An emergency suspension occurs when a student is removed from school without prior use of due process procedures. An emergency suspension is allowed if the student's continued presence in school poses a danger to person or property or an ongoing threat of disruption to the academic process. The due process procedures for a short-term suspension must be provided to the student as soon as practicable following the student's removal from school pursuant to an emergency suspension. The student's parent(s) should be notified of the suspension as soon as reasonably possible.

### **Temporary Exclusion from Class - due process procedures**

If a student's conduct in class disrupts the educational process or if the student persists in willful misconduct, a teacher may exclude the student from class for the remainder of the class session that day. In such cases, the teacher shall direct the student to report immediately to the Principal or other school administrator responsible for student discipline. The teacher shall inform the student of the reason or reasons why the student is being excluded from class and, if practicable and if requested by the student, the teacher shall allow the student to explain his or her version of the events to the teacher.

### **Short-term Suspension-due process procedures**

A short-term suspension is a suspension for a period of time less than or equal to ten (10) school days. Before a short-term suspension is imposed, a school administrator authorized to suspend from school shall inform the student of the alleged misconduct and describe generally the evidence known at that time to support the allegations of misconduct.

This notice may be given to the student orally or in writing. The administrator shall invite the student to discuss the student's version of the situation with the administrator. This is so the student has an opportunity to dispute the allegations of misconduct. The administrator shall then determine if a short-term suspension should be imposed and shall inform the student of his or her decision. If the student is suspended, the student's parent(s) shall be notified of the suspension by mail, telephone, or personal contact.

### **Long-term suspension - due process procedures**

A long-term suspension is a suspension that exceeds ten (10) school days in duration. It may extend up to one (1) full year in duration. A student subject to a long-term suspension during the semester before graduation will not be allowed to graduate until an additional semester of course work is completed.

### **Prohibited discrimination**

Flowing Wells High School does not, and shall not, unlawfully discriminate against persons on the basis of their race, color, ethnicity, religion, sex (including sexual harassment, as described in the District's policy concerning sexual harassment), sexual orientation, gender identity, gender expression, age, national origin, color or disability, in any program or activity sponsored by the District. In addition, Section 504 of the Rehabilitation Act (29 U.S.C. 794, et seq) requires, and it is the policy of the District, that otherwise qualified disabled persons must not be excluded from

participation in, be denied the benefits of, or be otherwise subjected to discrimination solely on the basis of disability, under any district program or activity that receives federal financial assistance. The District expressly prohibits all such unlawful discrimination by its agents and employees.

### **Compliance officer**

Any person who believes he or she has been the victim of unlawful discrimination by an agent or employee of the district or who knows of such discrimination against another person should file a complaint with the Principal (the Compliance Officer). If the Compliance Officer is the one alleged to have unlawfully discriminated, a complaint against the Compliance Officer should be filed with the Assistant Superintendent who, for all other purposes of this policy, shall act as the Compliance Officer.

### **Complaint investigation procedure**

The District is committed to investigating each complaint thoroughly and to taking immediate and appropriate corrective action on all confirmed violations of this policy, as is reasonably practical after a complaint is filed. In investigating the complaint, the Compliance Officer will maintain confidentiality to the extent reasonably possible.

If the initial investigation discloses reasonable cause to believe that a violation of this policy has occurred, the Compliance Officer shall so advise the Assistant Superintendent, who shall determine whether to hold an administrative hearing and/or whether to bring the matter before the Superintendent. The determination of "reasonable cause" is not a determination that discrimination actually has occurred.

It means only that there is a reasonable basis to the allegations such that the matter should proceed to a hearing on the allegations. If the person alleged to have violated this policy is a teacher or administrator, the due process provisions of the District's rules for Disciplinary Action Against a Teacher, or rules for Disciplinary Action Against an Administrator, whichever is applicable, shall apply. In cases of serious misconduct, dismissal proceedings in accordance with A.R.S. 15-531, et seq., may be initiated. If the person alleged to have violated this policy is a classified employee, the Compliance Officer, Superintendent, or the Superintendent's designee shall hold a hearing on the allegations and may impose discipline, short of a suspension without pay, if the evidence at the hearing so warrants. The Superintendent also may recommend that the Governing Board impose a suspension without pay, dismissal, or other appropriate discipline. If the Compliance Officer's investigation reveals no reasonable cause to believe that this policy has been violated, the Compliance Officer shall so inform the complaining party in writing.
